

Training Course Schedule for 2015

So far we have the following suggestions for training needs in 2015. Are there other suggestions ?

We need to prioritise, resource and schedule.

Level 1 Intro courses - 3/4 hours mostly on Sat mornings:

Data recording & HBIC – lady from HBIC & data capture user , Chris Rose/Alan Wilkinson?

Invertebrates introduction - excluding moths and butterflies – Alan Wilkinson?

Grasses - Identification and surveying - Martina Jones

Birds on your green space - what to expect and how to encourage them - Peter Hutchins

Small mammal surveying – Alan Wilkinson?

Possible re-run of flora ID and surveying course - Martina Jones

Level 2 Workshops/competence certification/extensive courses - Whole day:

Work Party Leading & Risk Assessment Competence

Site Management Plans & Group Activity Planning - workshop

Grassland Management with Charles Flowers
